

Name _____ Blk _____

Applying the Basic Principles

Directions: Choose the correct Basic Principle that relates to the quote.

1. "The government allows us to have certain rights, so I guess it can't be all-powerful."

Popular Sovereignty	Limited Government	Separation of Powers	Checks and Balances	Judicial Review	Federalism
------------------------	-----------------------	-------------------------	------------------------	--------------------	------------

2. "When did the Supreme Court rule that Nixon had to turn over the Watergate tapes?"

Popular Sovereignty	Limited Government	Separation of Powers	Checks and Balances	Judicial Review	Federalism
------------------------	-----------------------	-------------------------	------------------------	--------------------	------------

3. "Our federal government tries to get our state to keep speed limits low by threatening to pull our road funding, but speed limits are a state concern."

Popular Sovereignty	Limited Government	Separation of Powers	Checks and Balances	Judicial Review	Federalism
------------------------	-----------------------	-------------------------	------------------------	--------------------	------------

4. "Did you hear about the new guy filling in for the Secretary of Defense? They say he will easily pass the Senate hearings."

Popular Sovereignty	Limited Government	Separation of Powers	Checks and Balances	Judicial Review	Federalism
------------------------	-----------------------	-------------------------	------------------------	--------------------	------------

5. "I'm so tired of these major party campaigns, next year I'm voting for a third party instead."

Popular Sovereignty	Limited Government	Separation of Powers	Checks and Balances	Judicial Review	Federalism
------------------------	-----------------------	-------------------------	------------------------	--------------------	------------

6. "Who's in charge of our military-Congress, or the President?"

Popular Sovereignty	Limited Government	Separation of Powers	Checks and Balances	Judicial Review	Federalism
------------------------	-----------------------	-------------------------	------------------------	--------------------	------------

7. "I don't care if Barack Obama is president or not, he's not above the law."

Popular Sovereignty	Limited Government	Separation of Powers	Checks and Balances	Judicial Review	Federalism
------------------------	-----------------------	-------------------------	------------------------	--------------------	------------

8. "My cousin says she doesn't have to take the PSSA's. The tests are different in Arizona."

Popular Sovereignty	Limited Government	Separation of Powers	Checks and Balances	Judicial Review	Federalism
------------------------	-----------------------	-------------------------	------------------------	--------------------	------------

9. "Britain's government splits the power between mostly two parts of a Parliament and an elected Prime Minister."

Popular Sovereignty	Limited Government	Separation of Powers	Checks and Balances	Judicial Review	Federalism
------------------------	-----------------------	-------------------------	------------------------	--------------------	------------

10. "The balanced budget bill passed both houses of Congress, but was vetoed by the President. I guess it's back to the drawing board."

Popular Sovereignty	Limited Government	Separation of Powers	Checks and Balances	Judicial Review	Federalism
------------------------	-----------------------	-------------------------	------------------------	--------------------	------------

11. "I can't stand people who criticize the government all the time and yet never do anything about it!"

Popular Sovereignty	Limited Government	Separation of Powers	Checks and Balances	Judicial Review	Federalism
------------------------	-----------------------	-------------------------	------------------------	--------------------	------------

12. "We pay too much in taxes. My paycheck is nothing after Federal taxes and State taxes suck it dry."

Popular Sovereignty	Limited Government	Separation of Powers	Checks and Balances	Judicial Review	Federalism
------------------------	-----------------------	-------------------------	------------------------	--------------------	------------
